

WARDEN MISSION SHEET | prepare situations, not solutions

Mission / patron

Session / fictional week

Objective, evidence of completion and NPC interests

Performance-band criteria / gross and net / one allowance / alternatives

Visible economic cost, payer, payment timing and no-double-charge note

Approach routes, visible danger, retreat and what happens if nobody intervenes

Time log: entry / zone / elapsed fraction / next check / fixed deadline / changes

Named EXTRA hazards and warnings (separate from periodic checks)

NPC knowledge, deals, faction consequences and room for a third approach

Actual outcome, pay ONCE, Loyalty/Corruption changes, witnesses and future obligations
